PROFESSIONAL EXPERIENCE

Publicis Sapient

Senior Experience Engineer Pune, India - Aug 2024 – Present

- Leading the development of scalable, high-performance web applications using Next.js, React, TypeScript, and Tailwind CSS.
- Driving the adoption of design systems, server components, and progressive hydration, improving efficiency and maintainability.
- Implementing Edge Functions, ISR (Incremental Static Regeneration), and streaming SSR for enhanced performance and SEO.

Infosys

Senior Systems Engineer Pune, India - Jul 2022 – July 2024

- Spearheaded the migration of legacy SPAs to Next.js with hybrid rendering, improving performance by 20%.
- Integrated Coveo Cloud Search and AI-powered search enhancements, improving usability and accessibility.
- Led code reviews and performance audits, ensuring compliance with modern development standards.

Voraco

Frontend Developer Pune, India - Jan 2021 - Jul 2022

- Developed responsive, accessible, and high-performance React applications using TypeScript, GraphQL, and Tailwind CSS.
- Built and maintained reusable UI libraries and component-driven architecture, streamlining development workflows.
- Migrated from WordPress to CraftCMS, achieving 30% faster page loads and 10% higher engagement.

EDUCATION

B.E. - Computer Engineering

N.D.M.V.P.s K.B.T. College of Engineering

2014 - 2020, Nashik, India

65.73% - 7.49 (CGPA)
